

CALL FOR FULLY FUNDED PROPOSALS FOR PERIOD AUGUST 2017- JUNE 2018

The City of Johannesburg has 1270 developed parks and 459 underdeveloped areas which are demarcated as public open spaces. Johannesburg City Parks and Zoo (JCPZ) is the City's Agent in the management and maintenance of Public open spaces, cemeteries, nature conservation areas and the Johannesburg Zoo. The portfolio managed, is in excess of 20 000 ha and 3.2 million trees. Other products and services under the management of JCPZ include environmental education, eco-tourism products and services.

This proposal call is aimed at attracting **Fully Funded Proposals** for sustainable Innovative Projects, Sponsorships and Donations from legally registered organisations, including community based organizations that are interested in partnering with JCPZ in improving and enhancing the outdoor recreational offerings within the City of Johannesburg. Requirements for submissions include tax registration; proof of office /home address, certificate of good standing and funding for the project. **JCPZ will not be disbursing any funds towards any proposals. Implementation and maintenance of projects is encouraged.** Contributions and Innovations can range from and are Not Limited to the following:

PARKS, SAFETY AND SECURITY

Innovative Park Developments: New and Unique Concepts.
Donations for New Park Developments and Upgrades: e.g. Benches, Outdoor Gym Equipment, Children's Play equipment , educational activities, etc.
Park maintenance and tree removal – e.g. green waste to be used in restaurants, housing facilities.
Implementation of Recreational activities in parks on an income shared basis. Recreational equipment donation with buyers to children with special needs and people with disabilities.
Provision of sponsored Smart Equipment for various Facilities to enhance park user' experience.
Revenue sharing partnerships of guided sustainable Conservation Activities: e.g. cycling; walking trails, camping, bird watching, horticultural/floral talks, demonstrations and displays, adventure activities – trail running, mountain biking, bump tracks, etc.

SECURITY

JCPZ invites security companies that would like to assist with the provision of park safety services as part of their Social Responsibility Investment to communities, as well as structures such as solar lights, cameras and Apps. Any innovation in line with securing parks will be highly welcomed.
Security ambassadors and education programmes will be welcomed.
